PPI (Patient and Public Involvement) resources for applicants to NIHR research programmes

Community outreach @PBRC

The screenshot shows the website for the Pennington Biomedical Research Center. The top navigation bar includes links for 'About Us', 'Research + Faculty', 'Research Studies', 'Training + Education', and 'Business Development'. The main header features the 'pb' logo and the text 'Pennington Biomedical Research Center Louisiana State University'. A purple sidebar on the left is titled 'Community Outreach and Events' and lists several events: 'Irene W. Pennington Wellness Day for Women' (with a sub-link for '2023 Women's Day for Wellness'), 'Discovering Opportunity for Change (DOC) Events', and 'Botanical Community Symposium' (with sub-links for 'About The Botanical Dietary Supplements Research', 'Hemp: Does It Help? Is It Hype? Can It Hurt?', and 'Speaker'). Below the sidebar, the main content area is titled 'Community Events' and lists three events with 'Learn More' buttons: 'Men's Health Summit', 'Irene W. Pennington Wellness Day for Women', and 'Senior Black American Health Fair'. The breadcrumb trail reads: 'Home > Division of Scientific Education > Community Outreach and Events > Community Events'.
